The Site Welfare Company Limited (SWC) is equipped to provide toilets, welfare products and effluent services, to the construction industry.

Our employees have been servicing the sanitation industry for over 20 years, so we understand the needs of the industry. Our experts plan the perfect solution to keep your site clean and hygienic.

Through our experience and product knowledge The Site Welfare Company has built an enviable reputation for its high level of reliability, expertise and commitment to its customers. This is now renowned within the construction industry.

You have the right to expect 100% committed support and we consider it is our duty to provide it.

Re circulating Portable Toilets

Our comprehensive package of product and service guarantees your toilet facilities are in order throughout the hire period. A specially designed vehicle delivers roomy, fully equipped single toilets to your location ready for immediate use and supplied with free consumables. We will be able to advise you on the number of toilets required for your event.

Our trained staff ensure replenishment of all consumables, regular removal of waste, full germicidal cleansing and recharge with fresh chemicals designed to neutralise all odours.
